

B I E R M A R K T®

BIER IS JUST THE BEGINNING.

Planning a special event or a "Hey, let's get together" for 200 of your closest friends? To satisfy each of your Guests we provide custom tasting, prix fixe and Bier-paired flight menus that may include Flammekeuches (that's a fancy word for flatbreads), Cheese and Charcuteries and our Bier Can Chicken and Whole Roasted Pig. Our Event Coordinators work with you to create the perfect Proost-worthy event.

BEAUTIFUL EVENTS.

- **BIER DINNER** ~ Our Bier curators have extensive Bier knowledge and would be happy to guide your guests through the art of pairing Bier with food.
- **AROUND THE WORLD IN 80 MINUTES** ~ You have friends and locations all over the world? No problem! We can create custom Bier & food collections that pay homage to all of your friends worldwide.
- **DIY** ~ Learn to follow the rituals of expert Bier pouring. Or, just be your own bartender with our portable draught bar.

THE PERFECT VENUE TO PROOST.

Each Bier Markt space provides a variety of unique settings – or we can configure a space – to suit your specific needs. It goes without saying that we are not only “Bier savvy,” we’re tech savvy and ready with Wi-Fi and a bevy of other A/V capabilities.
